To Ordinary Shareholders and SDI Optionholders

Dear Shareholder and SDI Optionholder,

Recommended Mandatory Cash Offer

1. Introduction

On 19 January 2015, Dematic announced the acquisition of FSU Investments, the parent company of SDI, and as a result of this acquisition, Dematic is now indirectly interested in 82,607,842 Ordinary Shares, representing 75.6 per cent. of the existing issued share capital of SDI. Under Rule 9 of the City Code on Takeovers and Mergers, Dematic is now required to make a mandatory cash offer for the remaining Ordinary Shares that are not already owned by FSU Investments. Dematic is also making a similarly priced offer for any B Ordinary Shares arising from the exercise of any SDI Options.

The Offers value the entire issued and to be issued share capital of SDI at £22.9 million and, assuming the exercise of all SDI Options, the shares to which the Offers relate at approximately £6.6 million.

Dematic has received irrevocable undertakings from the SDI Executives and certain other Ordinary Shareholders to accept or procure the acceptance of the Ordinary Share Offer in respect of 24,173,618 Ordinary Shares, representing 22.1 per cent. of SDI's share capital and 90.6 per cent. of the existing Relevant Ordinary Shares. Dematic is therefore, in aggregate, interested in or has received irrevocable undertakings in respect of 106,781,460 Ordinary Shares representing 97.7 per cent. of the existing share capital of SDI.

This letter sets out the background to the Offers, the reasons why I, as the Independent SDI Director, consider the Offers to be fair and reasonable and the factors that Shareholders should consider before determining whether or not to accept the Offers.

The Offers are unconditional but the further terms of the Offers and procedures for acceptance of the Offers are set out in the letter from Dematic in Part 2 and in Appendix I to this document.

The closing date for the Offers will be 9 March 2015.

2. Summary of the Ordinary Share Offers

The Offers will be made on the following basis:

For each Relevant Ordinary Share and each B Ordinary Share: 19.65 pence in cash

The Offers value the whole of SDI's issued and to be issued share capital at approximately £22.9 million and the Relevant Ordinary Shares to which the Ordinary Share Offer relates at approximately £5.2 million. Assuming exercise of all SDI Options, the B Ordinary Share Offer values the whole of the to be issued B Ordinary Shares at approximately £1.4 million.

The Offers value each Relevant Ordinary Share and each B Ordinary Share on the same basis as is attributed, net of costs, to each Ordinary Share held by FSU for the purposes of the FSU Acquisition, save that under the terms of the FSU Acquisition FSU's shareholders have given certain warranties and a tax covenant in favour of Dematic and have agreed to defer receipt of part of the consideration due from Dematic for their FSU Shares pending attainment of certain future financial performance targets by FSU Investments and its subsidiary undertakings.

The Ordinary Share Offer will extend to any Ordinary Shares unconditionally allotted or issued after the date of this announcement but before the date the Ordinary Share Offer closes.

The Relevant Ordinary Shares and B Ordinary Shares will be acquired by Dematic fully paid and free from all liens, equitable interests, charges, mortgages, encumbrances, rights of pre-emption and other third party rights or interests of any nature whatsoever and together with all rights now or hereafter attaching thereto, including all voting rights and the right to receive and retain in full all dividends and other distributions (if any) accrued, announced, declared, made or paid on or after the date of the announcement of the Offers.

Following the FSU Acquisition, Dematic already indirectly owns over 75 per cent. of the issued Ordinary Shares, and therefore the Ordinary Share Offer will be an unconditional offer. **The closing date of the Offers will be 9 March 2015.**

The B Ordinary Share Offer will relate to any B Ordinary Shares which may be issued after the date of this document and before the date on which the B Ordinary Share Offer closes (or such earlier date as Dematic may, in accordance with the terms and conditions of the Offers, decide) as a result of the exercise of options under the SDI Option Scheme.

As at 4 February 2015, the latest practicable date prior to the publication of this document, there were outstanding options to subscribe for a total of 7,100,000 B Ordinary Shares under the SDI Option Scheme at an exercise price of 5 pence per B Ordinary Share.

Further details of the Offers and the steps to be taken by any SDI Optionholder who wishes to exercise his options and then accept the B Ordinary Share Offer are set out in the letter from Dematic in Part 2 and in Parts C of Appendix I to this document.

3. Information on SDI and FSU Investments

SDI is a specialist in the design, build and support of warehouse handling systems in the international retail and order fulfilment sectors. The SDI Group provides consultancy services and designs its customers' warehousing and distribution systems with end products including sortation and picking systems, automated retrieval systems and conveyor systems, together with the supporting IT infrastructure. The SDI Group's main operations are in the UK and Germany with a presence in France, Italy, Spain, and the Netherlands.

FSU Investments, SDI's parent company, was formed in July 2010 for the purposes of making an offer for SDI, which was at that time admitted to trading on the AIM market of the London Stock Exchange. As a result of such offer, FSU Investments acquired approximately 75 per cent. of the then issued share capital of SDI.

SDI's financial results are consolidated into FSU's results and the FSU financial report for the year ended 31 March 2014 shows turnover of £38.7 million (2013: £28.2 million), profit before tax of £1.1 million (2013: £1.6 million) and as at 31 March 2014 consolidated net assets were £3.9 million (2013: £3.3 million).

FSU Investments currently owns 75.6 per cent. of the existing issued share capital of SDI and, prior to completion of the FSU Acquisition, was owned by members of the SDI management team including Gordon Smith, Steve Butler, Andrea di Bella, John Hamilton, Jean-Marc Moulin and Darcy De Thierry, all of whom were directors of FSU Investments prior to the completion of the FSU Acquisition.

Further financial information on SDI is set out in Appendix II to this document.

4. Current trading and prospects

The following comments were made in the annual report of FSU, the parent company of SDI, for the year ended 31 March 2014 which was published on 10 November 2014:

“The economic environment in which the Group finds itself is one of continued uncertainty, especially in its key mainland European markets. However, recent contracts gained have given a boost to future sales and profitability which are expected to have a positive impact on 2014/2015. Management are focused on continued product development and identifying new markets in which to trade.”

The SDI Directors are pleased with the level of enquiries and SDI's current pipeline and are optimistic about 2015 particularly in relation to a number of the SDI Group's new products developed in the last 18 months. Nevertheless margins remain competitive with considerable consolidation in the industry generating aggressive pricing strategies in order to gain market share. The SDI Board believes that this trend will continue.

5. Background to and reasons for recommending the Offer

Since the acquisition of a majority shareholding in SDI by FSU in September 2010, when reported revenue was £32 million for the year ended 31 March 2010, SDI continued to suffer the effects of the worldwide recession with trading revenues declining to approximately £27 million in the year ended 31 March 2012. Since then performance has improved and revenue has increased to over £38 million in the year ended 31 March 2014.

SDI's management has been successfully growing and developing SDI, however the market for automated materials handling has become more complex, particularly on e-commerce projects where the range of order type, frequency of orders, the number of products being supplied and the level of returns has made system requirements more technically demanding. Projects have become larger requiring increased resources including people, funding, manufacturing capacity and research and development. The larger projects also create greater demands on SDI's cash resources and increased financial risk in the form of penalties for late delivery, or non-performance, of systems supplied demanding a larger scale of investment than was available to SDI.

During 2014 the board of FSU received a number of approaches from potentially interested acquirors and, given the requirement for scale noted above, was receptive to these approaches. Whilst the board of FSU were not actively looking to sell the business, the approach from Dematic was attractive and therefore was progressed resulting in the acquisition of FSU by Dematic and the requirement for the Offers.

6. Factors to be considered by Shareholders in considering the Offer

In addition to the factors mentioned above, in deciding what action to take in respect of the Offers, Ordinary Shareholders and SDI Optionholders should take into account the following factors:

- Whilst SDI has increased turnover and is trading profitably, through consolidation in the industry SDI has become one of the smallest companies in the sector. Larger groups or companies are adopting aggressive pricing policies in order to gain market share and in order to be able to grow and compete in the future the then board of SDI considered that SDI needed to be part of a larger organisation that has greater resources;

- Since the cancellation of admission to trading of SDI on AIM in September 2010 there has been no dealing facility for Shareholders to trade their Ordinary Shares;
- The Offers value each Ordinary Share and each B Ordinary Share at the same price per share as is attributed to each Ordinary Share, net of costs, held by FSU for the purposes of the FSU Acquisition, save that under the terms of the FSU Acquisition the FSU Shareholders have given certain warranties and a tax covenant in favour of Dematic and have agreed to defer receipt of part of the consideration due from Dematic for their FSU Shares pending attainment of certain future financial performance targets by FSU Investments and its subsidiary undertakings;
- Dematic has received irrevocable undertakings to accept the Ordinary Share Offer from certain Ordinary Shareholders amounting to 24,173,618 Ordinary Shares in aggregate which represents 22.1 per cent. of the existing Ordinary Shares in issue. This taken together with Dematic's indirect interest in Ordinary Shares gives Dematic an interest in 106,781,460 Ordinary Shares in aggregate which represents 97.7 per cent. of the existing Ordinary Shares in issue and 91.8 per cent. of SDI's enlarged share capital assuming that all SDI Options are exercised;
- Dematic indirectly holds more than 75 per cent. of the existing Ordinary Shares in issue and will be able to pass ordinary and special resolutions without the need for any votes from any other Shareholders at shareholder meetings; and
- Following the completion and closing of the Offers Dematic will own or control sufficient Ordinary Shares to be able to use authorities either under the Companies Act or under SDI's drag along rights in SDI's Articles to compulsorily acquire all shares not accepted under the Offers. Therefore Shareholders should accept the Offers to receive their consideration at the earliest opportunity. Shareholders who do not accept the Offers will have their shares compulsorily acquired but will have to wait until that process has concluded before they receive their consideration. This document contains a drag along notice under SDI's articles of association.

The sale of FSU has completed and the mandatory offers by Dematic provide Ordinary Shareholders and SDI Optionholders with the opportunity to receive value for their Ordinary Shares or SDI Options now rather than wait for Dematic to either compulsorily acquire their shares or use the drag along provisions.

If you are in any doubt about the action you should take you should contact your own independent financial adviser.

7. Directors, management and employees and Dematic's intentions for SDI

The letter from Dematic in Part 2 of this document sets out Dematic's intentions for the SDI Group.

Dematic has stated it intends to finalise its integration plan and strategy for SDI by 30 June 2015 and has no intention of making material changes in connection with SDI Group's employees, locations or the deployment of its fixed assets before such review is completed. This review may, however, result in changes which affect SDI's employees, locations or the deployment of its fixed assets.

Dematic has also stated that it recognises the skills, technical ability and experience of the existing management and employees of the SDI Group. Dematic has given assurances that the existing employment rights, including pension rights, of all management and employees of the SDI Group will be observed at least to the extent required by applicable laws.

Further details are set out in paragraph 8 of the letter from Dematic in Part 2 of this document.

8. Information on Dematic

Dematic specialises in the provision of intelligent logistics and materials handling solutions. Dematic serves its customers through a global network of more than 4,000 logistics professionals and has manufacturing plants in the USA, Europe, China and Australia. Dematic has developed and implemented more than 4,000 integrated systems for a customer base including some of the world's biggest companies.

9. Irrevocable undertakings to accept the Offer

The SDI Executives have given Dematic irrevocable undertakings to accept, or (where applicable) to procure the acceptance of, the Ordinary Share Offer in respect of all of their respective beneficial and connected holdings of Ordinary Shares, amounting, in aggregate, to 511,200 Ordinary Shares, representing approximately 0.5 per cent. of the existing Ordinary Shares in issue and 1.9 per cent. of the existing Relevant Ordinary Shares in issue. These undertakings will continue to be binding even in the event of a higher competing offer for SDI, unless the Ordinary Share Offer lapses or is withdrawn.

Dematic has also received irrevocable undertakings to accept the Ordinary Share Offer in respect of a further 23,662,418 Ordinary Shares in aggregate, representing a further 88.7 per cent. of the existing Relevant Ordinary Shares in issue. These undertakings will continue to be binding even in the event of a higher competing offer for SDI, unless the Ordinary Share Offer lapses or is withdrawn.

In summary, Dematic has received, in aggregate, irrevocable undertakings to accept the Ordinary Share Offer in respect of 24,173,618 Ordinary Shares, representing 22.1 per cent. of the existing Ordinary Shares in issue. In aggregate, Dematic is interested in, or has received irrevocable undertakings in respect of, 106,781,460 Ordinary Shares representing 97.7 per cent. of the existing share capital of SDI.

Further details of all of the irrevocable undertakings given in relation to the Offer are set out in paragraph 4 of Appendix III to this document.

10. Compulsory acquisition

Dematic intends to use the drag-along provisions set out in SDI's articles of association to compulsorily acquire any Relevant Ordinary Shares and any B Ordinary Shares not acquired or agreed to be acquired pursuant to the Offers or otherwise. Dematic also reserves the right to exercise its entitlement pursuant to the provisions of sections 979 to 991 (inclusive) of the Companies Act to acquire compulsorily the Relevant Ordinary Shares or B Ordinary Shares (as the case may be) on the same terms as the Offers.

Further details are set out in paragraph 12 of Part 2 of this document.

11. United Kingdom Taxation

Your attention is drawn to paragraph 10 in Part 2 of this document. If you are in any doubt as to your own tax position, if you are neither resident nor ordinarily resident in the UK for UK tax purposes or if you are subject to taxation in any jurisdiction outside the UK, you should consult an appropriate independent professional adviser.

12. Overseas Shareholders

If you are an Overseas Shareholder your attention is drawn to paragraph 11 of Part 2 of this document.

13. Action to be taken to accept the Offers

The procedure for acceptance of the Offers is set out in paragraph 13 of Part 2 of this document and in Parts A, B and C of Appendix I to this document and the Forms of Acceptance.

14. Further Information

Your attention is drawn to the letter from Dematic contained in Part 2 of this document and to the further information contained in Appendices I to III this document.

15. Independent SDI Director

Prior to the FSU Acquisition the board of SDI comprised Gordon Smith and myself. On completion of the FSU Acquisition Gordon Smith resigned as a director and Anthony Gajadharsingh was appointed to the SDI Board by Dematic. This means that I am the only independent director able to recommend the Offers to Shareholders.

16. Conclusion

I, as the Independent SDI Director, having been so advised by Cattaneo LLP, consider the financial terms of the Offers to be fair and reasonable. In providing advice to me, Cattaneo LLP has taken into account my commercial assessments.

17. Recommendation

I, as the Independent SDI Director, recommend that Ordinary Shareholders and SDI Optionholders accept the Offers, as I have irrevocably undertaken to do in respect of my entire beneficial holding comprising 505,000 Ordinary Shares, representing 0.5 per cent. of the existing Ordinary Shares in issue and in respect of SDI Options over 2,250,000 B Ordinary Shares representing a further 1.9 per cent. of the enlarged share capital.

Dematic has acquired an indirect interest of 75.6 per cent. of the current issued share capital of SDI through its acquisition of FSU and is making the Offers for the shares it does not already own. It has acquired sufficient irrevocable undertakings to ensure that it will own the required number of acceptances in order to be able to compulsorily acquire any shares that are not acquired under the Offers. Consequently I consider that it is in the best interests of all Shareholders to complete and return their Form(s) of Acceptance as soon as possible in order to receive their consideration at the earliest opportunity.

Yours sincerely

Stephen Butler
Independent SDI Director

LETTER FROM DEMATIC

Directors of Dematic:

Ulf Henriksson (*President & Chief Executive Officer*)

Richard Paradise (*Chief Financial Officer*)

5 February 2015

To Ordinary Shareholders and SDI Optionholders

Dear Shareholder and SDI Optionholder,

Recommended mandatory cash offer by Dematic for the entire issued and to be issued ordinary share capital of SDI Group Limited (other than those Ordinary Shares owned by FSU Investments Limited) and recommended cash offer by Dematic for the entire issued and to be issued B Ordinary Shares of SDI Group Limited

1. Introduction

On 16 January 2015, Dematic acquired the entire issued share capital of FSU Investments, the parent company of SDI. As a result of the FSU Acquisition, Dematic indirectly holds 82,607,842 Ordinary Shares, representing 75.60 per cent. of the existing issued share capital of SDI.

As a result of Dematic's acquisition of FSU Investments, under Rule 9 of the City Code on Takeovers and Mergers, Dematic is required to make a mandatory cash offer for the remaining Ordinary Shares that are not already owned by FSU Investments. Dematic is also making an offer for any B Ordinary Shares, such offer being at the same price per share as the offer for the Relevant Ordinary Shares.

The Offers value the entire issued and to be issued share capital of SDI at £22.9 million and the Relevant Ordinary Shares to which the Ordinary Share Offer relates at approximately £5.2 million. Assuming exercise of all SDI Options, the B Ordinary Share Offer values the whole of the to be issued B Ordinary Shares at approximately £1.4 million.

The Offers value each Relevant Ordinary Share and each B Ordinary Share on the same basis as is attributed to each Ordinary Share, net of costs, held by FSU for the purposes of the FSU Acquisition, save that, under the terms of the FSU Acquisition, the FSU Shareholders have given certain warranties and a tax covenant in favour of Dematic and have agreed to defer receipt of part of the consideration due from Dematic for their FSU Shares pending attainment of certain future financial performance targets by FSU Investments and its subsidiary undertakings. Further details of the basis on which the price of the Offers has been arrived at are set out in paragraph 7.1 of Appendix III to this document.

The Offers are unconditional. This document and the Forms of Acceptance contain the formal terms of the Offers. The closing date of the Offers will be 9 March 2015, being 20 business days following the posting of this document.

Your attention is drawn to the letter of recommendation from the Independent SDI Director contained in Part 1 of this document, which sets out the reasons why the Independent SDI Director, who has been so advised by Cattaneo, considers the terms of the Offers to be fair and reasonable and, accordingly, recommends that Ordinary Shareholders and B Ordinary Shareholders accept the Offers.

The attention of Ordinary Shareholders and B Ordinary Shareholders who are not resident in the United Kingdom or who are citizens or nationals of other countries is also drawn to paragraph 11 of this letter and paragraph 6 of Part A, paragraph (b) of Part B and/or paragraph (b) of Part C3 of Appendix I to this document and to the relevant provisions of the Forms of Acceptance.

The procedure for acceptance of the Offers is set out in paragraph 13 of this letter and in Parts A, B and C of Appendix I to this document and the Forms of Acceptance.

2. Terms of the Ordinary Share Offer

Dematic hereby offers to acquire, on the terms and subject to the conditions set out in this document and in the Share Offer Form of Acceptance, all of the issued and to be issued Ordinary Shares (other than those already owned by FSU Investments) on the following basis:

For each Relevant Ordinary Share: 19.65 pence in cash

The Ordinary Share Offer extends to any Ordinary Shares unconditionally allotted or issued after the date of this announcement but before the Closing Date.

The Relevant Ordinary Shares will be acquired by Dematic fully paid and free from all liens, equitable interests, charges, mortgages, encumbrances, rights of pre-emption and other third party rights or interests of any nature whatsoever and together with all rights now or hereafter attaching thereto, including all voting rights and the right to receive and retain in full all dividends and other distributions (if any) accrued, announced, declared, made or paid on or after the date of the announcement of the Offers.

The Ordinary Share Offer values each Relevant Ordinary Share on the same basis as is attributed to each Ordinary Share held by FSU Investments for the purposes of the FSU Acquisition (taking into account certain costs borne by the selling shareholders under the FSU Acquisition), save that under the terms of the FSU Acquisition the holders of the FSU Shares have given certain warranties and a tax covenant in favour of Dematic and have agreed to defer receipt of part of the consideration due from Dematic for their FSU Shares pending attainment of certain future financial performance targets by FSU Investments and its subsidiary undertakings. Further details of the basis on which the price of the Offers has been arrived at are set out in paragraph 7.1 of Appendix III to this document.

3. Details of the B Ordinary Share Offer

Dematic hereby offers to acquire, on the terms and subject to the conditions set out in this document and the relevant Form of Acceptance, all of the B Ordinary Shares on the following basis:

For each B Ordinary Share: 19.65 pence in cash

At the time of posting, there are no B Ordinary Shares in issue. However the B Ordinary Share Offer extends to any B Ordinary Shares unconditionally allotted or issued after the date of this announcement but before the Closing Date.

The B Ordinary Shares will be acquired by Dematic fully paid and free from all liens, equitable interests, charges, mortgages, encumbrances, rights of pre-emption and other third party rights or interests of any nature whatsoever and together with all rights now or hereafter attaching thereto, including all voting rights and the right to receive and retain in full all dividends and other distributions (if any) accrued, announced, declared, made or paid on or after the date of the announcement of the Offers.

SDI Optionholders who wish to become eligible to take part in the B Ordinary Share Offer must first exercise their SDI Options in accordance with the terms of the SDI Option Scheme. Such SDI Optionholders should consult paragraphs 9 and 13(b) of this letter and the SDI Option Proposal at Part C of Appendix I to this document.

4. Background to and reasons for the Offer

The addition of SDI Group enhances Dematic's product offerings and expertise, especially for the e-commerce and apparel markets. In particular, the addition of garment on hanger and flat sorter technologies, along with SDI Group's returns processing solution, will enable Dematic to provide customers with a single source modular, flexible and scalable solution.

5. Irrevocable undertakings to accept the Offer

The SDI Executives have given Dematic irrevocable undertakings to accept, or (where applicable) to procure the acceptance of, the Ordinary Share Offer in respect of all of their respective beneficial and connected holdings of Ordinary Shares amounting, in aggregate, to 511,200 Ordinary Shares, representing approximately 0.5 per cent. of the existing Ordinary Shares in issue and 1.9 per cent. of the existing Relevant Ordinary Shares in issue. These undertakings will continue to be binding even in the event of a higher competing offer for SDI, unless the Ordinary Share Offer lapses or is withdrawn.

Dematic has also received irrevocable undertakings to accept the Ordinary Share Offer in respect of a further 23,662,418 Ordinary Shares in aggregate, representing a further 88.7 per cent. of the existing Relevant Ordinary Shares in issue. These undertakings will continue to be binding even in the event of a higher competing offer for SDI, unless the Ordinary Share Offer lapses or is withdrawn.

In summary, Dematic has received, in aggregate, irrevocable undertakings to accept the Ordinary Share Offer in respect of 24,173,618 Ordinary Shares, representing 22.1 per cent. of the existing Ordinary Shares in issue and 90.6 per cent. of the existing Relevant Ordinary Shares in issue.

In aggregate, Dematic is interested in, or has received irrevocable undertakings in respect of, 106,781,460 Ordinary Shares representing 97.7 per cent. of the existing issued Ordinary Shares.

Further details of all of the irrevocable undertakings given in relation to the Ordinary Share Offer are set out in paragraph 4 of Appendix III to this document.

6. Information on Dematic

Dematic specialises in the provision of intelligent logistics and materials handling solutions. Dematic serves its customers through a global network of more than 4,000 logistics professionals and has manufacturing plants in the USA, Europe, China and Australia. Dematic has developed and implemented more than 4,000 integrated systems for a customer base including some of the world's biggest companies.

7. Financing of the Offers

The Offers will be financed out of Dematic's existing cash resources and from existing debt facilities of Dematic.

8. Directors, Management and Employees and Dematic's intentions for SDI

The Dematic Board believes that the addition of SDI Group enhances Dematic's product offerings and expertise, enabling Dematic to provide its global customer base with single source modular, flexible and scalable solutions, especially for the e-commerce and apparel markets. Dematic intends to use the opportunities presented by the acquisition of SDI to deepen and expand customer relationships with both existing Dematic and SDI customers, and existing Dematic customers will have access to SDI's products and services.

With effect from completion of the FSU Acquisition, Gordon Smith resigned from the SDI Board and from his position of chief executive officer of SDI, although he will continue to be employed within SDI for nine months to assist with integration of the two businesses. He has been replaced as chief executive officer of SDI by Andrea di Bella, who was previously the managing director of SDI's businesses in Italy, Spain and Switzerland. SDI's registered office will be changed to Dematic's UK address at Beaumont Road, Banbury, Oxfordshire OX16 1QZ and Anthony Gajadharsingh was appointed to the SDI Board as Dematic's representative.

Dematic intends to finalise its integration plan and strategy for SDI by 30 June 2015. Dematic has no intention of making material changes in connection with SDI Group's employees, locations or the deployment of its fixed assets before such review is completed. This review may, however, result in changes which affect SDI's employees, locations or the deployment of its fixed assets.

Dematic recognises the skills, technical ability and experience of the existing management and employees of the SDI Group. Dematic has given assurances that the existing employment rights, including pension rights, of all management and employees of the SDI Group will be observed at least to the extent required by applicable laws.

9. SDI Option Scheme

Normally, SDI Options have to be held for a specified period of two or three years before they can be exercised. However, under the rules of the SDI Option Scheme, in the event of:

- a change of control of FSU Investments (or any other company that is, from time to time, the holding company of SDI); and
- following such change of control, an offer being made by the person acquiring control of FSU Investments (or other such company) to acquire shares in SDI not owned by FSU Investments (or such other company),

SDI may give notice to SDI Optionholders inviting them to exercise their SDI Options. Where notice is given, SDI Optionholders are able to exercise their SDI Options at any time before the closing date of the offer, failing which their SDI Options shall lapse and cease to have any value.

It follows that, as a result of the FSU Acquisition, SDI is able to give notice to SDI Optionholders that they are able to exercise their SDI Options, and, accordingly, does so in Part C1 of Appendix 1 of this document.

SDI Optionholders wishing to exercise their SDI Options would, usually, be required to pay the aggregate option exercise price and to make satisfactory arrangements to meet any SDI Option Tax Liability. However, Dematic is making a proposal to SDI Optionholders in relation to SDI Options that will enable them to exercise their SDI Options without having either to pay the option exercise price upfront or to make upfront arrangements to satisfy any SDI Option Tax Liability. Instead, these amounts will be deducted from amounts due to SDI Optionholders from the sale, under the B Ordinary Share Offer, of B Ordinary Shares that they acquire on exercise of their SDI Options.

Details of the SDI Option Proposal are set out in Part C of Appendix I. It is the decision of individual SDI Optionholders as to whether or not they should accept the SDI Option Proposal applicable to their outstanding SDI Options. However, SDI Optionholders should note that:

- if they choose not to accept the SDI Option Proposal, but nonetheless wish to exercise their SDI Options, whether in whole or in part, and to acquire B Ordinary Shares, they will be required:
 - under the rules of the SDI Option Scheme, to enter into satisfactory arrangements with SDI to meet any SDI Option Tax Liability and to pay the aggregate option exercise price; and
 - under SDI's articles of association, to sell to Dematic the B Ordinary Shares that they acquire – they will receive the same amount per share as they would receive if they were to accept the B Ordinary Share Offer; and
- if they choose not to exercise their SDI Options, or fail to do so prior to the Closing Date, their SDI Options shall lapse and they will lose the opportunity to realise any value from them following the Closing Date.

SDI Optionholders who are in any doubt as to the action they should take are advised immediately to seek their own personal financial advice from their stockbroker, bank manager, solicitor, accountant, fund manager or other independent financial adviser who, if they are taking advice in the United Kingdom, is duly authorised under the Financial Services and Markets Act 2000 and

specialises in advising on the acquisition of shares and other securities or, if they are taking advice outside the United Kingdom, is an appropriately authorised independent financial adviser with such a specialism.

10. United Kingdom Taxation

Set out below is a summary of certain aspects of the UK tax treatment of Ordinary Shareholders and B Ordinary Shareholders in connection with the Offers. SDI Optionholders are referred to Part C2 of Appendix 1.

This summary is based on UK law and published HM Revenue & Customs practice current as at the date of this document. It is intended as a general guide and applies only to Shareholders who are resident and (if individuals) domiciled for tax purposes in the UK, who hold interests in Ordinary Shares as an investment (otherwise than under any scheme which benefits from special tax exemptions) and who are the beneficial owners of those Ordinary Shares. This section does not address the UK tax treatment of the exercise of an SDI Option by an SDI Optionholder. Further this section is not intended to be, and should not be construed to be, legal or taxation advice to any Ordinary Shareholder or B Ordinary Shareholder. **Ordinary Shareholders and B Ordinary Shareholders who are in any doubt about their taxation position, or who are resident or otherwise subject to taxation in a jurisdiction outside the UK, should consult their own professional advisers immediately.**

UK taxation of chargeable gains

An Ordinary Shareholder who accepts the Ordinary Share Offer and a B Ordinary Shareholder who accepts the B Ordinary Share Offer will make a disposal of Ordinary Shares for the purposes of UK taxation of chargeable gains. Such disposal may, depending on the individual shareholder's circumstances (including the availability of exemptions, reliefs and allowable losses), give rise to a liability to UK taxation of chargeable gains.

Ordinary Shareholders and B Ordinary Shareholders who are not resident in the UK for UK tax purposes are not subject to UK tax on chargeable gains unless, at the time of disposal, they carry on a trade, profession or vocation in the UK through a branch or agency and the Ordinary Shares or B Ordinary Shares disposed of are used in, or for the purposes of the trade, profession or vocation at or before the time when the chargeable gain accrued.

(a) *Corporate taxpayers*

An Ordinary Shareholder or B Ordinary Shareholder who is a company within the charge to UK corporation tax on a disposal of its Ordinary Shares or B Ordinary Shares under the Offers may be able to apply indexation allowance to reduce any chargeable gain arising on the disposal, but not to create or increase an allowable loss.

(b) *Individual taxpayers*

An Ordinary Shareholder or B Ordinary Shareholder who is an individual should benefit from an annual exempt amount, which for the tax year 2014-2015 is £11,000, such that capital gains tax is chargeable only on gains (arising from all sources during the tax year) in excess of that amount.

Stamp duty and stamp duty reserve tax ("SDRT")

No stamp duty or SDRT will be payable by Ordinary Shareholders or B Ordinary Shareholders as a result of accepting the Offer.

11. Overseas Shareholders

The attention of Ordinary Shareholders and B Ordinary Shareholders who are citizens or residents of jurisdictions outside the United Kingdom or who are holding shares for such citizens or residents and any person (including, without limitation, any custodian, nominee or trustee) who may have an obligation to forward any document in connection with the Offers outside the United Kingdom is drawn to paragraph 6 of Part A and to paragraph (b) of Part B and paragraph (b) of Part C of Appendix I to this document and to the relevant provisions of the Forms of Acceptance, which they should read before taking any action.

The availability of the Offers to Ordinary Shareholders or B Ordinary Shareholders who are not resident in the United Kingdom may be affected by the laws of their relevant jurisdiction. Such persons should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdiction. If you remain in any doubt, you should consult your professional adviser in the relevant jurisdiction without delay.

The Offers are not being made, directly or indirectly, in or into any Restricted Jurisdiction where to do so would violate the laws of that jurisdiction, and it is not currently intended that the Offers will be capable of acceptance by any such use, means, instrumentality or facility or from any such jurisdiction. Accordingly, persons who are unable to give the warranties set out in either paragraph (b) of Part B of Appendix I or paragraph (b) of Part C3 of Appendix I as appropriate may be deemed not to have validly accepted the Offer.

The Offers fall within the scope of the US Securities and Exchange Act of 1934, as amended (the “**Securities Act**”), to the extent the Offers affect US resident Ordinary Shareholders. Accordingly, the Offers are being made into the US in compliance with Regulation 14E which was promulgated by the Securities and Exchange Commission under Section 14E of the Securities Act.

12. Compulsory acquisition

As set out in article 43 of SDI’s articles of association, if a sale of a controlling interest in SDI’s holding company (being, at the date of this document, FSU Investments) is effected and, on such sale, the acquirer obtains the right to control, directly or indirectly, 75 per cent. or more of the voting rights normally exercisable at general meetings of SDI, the acquirer may, by serving a notice on all the other holders of shares in SDI, require such shareholders to sell their shares in SDI to the acquirer (“**Compulsory Purchase Notice**”).

On completion of the FSU Acquisition, Dematic acquired, indirectly, the right to control over 75 per cent. of the voting rights normally exercisable at general meetings of SDI.

Accordingly, Dematic hereby serves notice on Ordinary Shareholders and SDI Optionholders that Dematic shall purchase any Ordinary Shares and B Ordinary Shares in respect of which acceptances of the Offers are not received in accordance with the drag along provisions set out in article 43 of SDI’s articles of association, such notice to constitute a Compulsory Purchase Notice for the purposes of SDI’s articles of association (“**Dematic CP Notice**”).

The purchase of Ordinary Shares and B Ordinary Shares pursuant to the Dematic CP Notice shall be completed as follows:

- (i) if, by the Closing Date, an Ordinary Shareholder or a B Ordinary Shareholder has not returned a validly completed and executed Form of Acceptance, together with the relevant share certificates (or a suitable indemnity) and other documents of title, Dematic will instruct any of the SDI Directors to execute a stock transfer form in respect of the entire holding of such Ordinary Shares and/or B Ordinary Shares at the Closing Date as agent for and on behalf of the relevant Shareholder (as so deemed appointed in accordance with SDI’s articles of association) to transfer such Ordinary Shares and/or B Ordinary Shares to Dematic;
- (ii) the price payable by Dematic for the Ordinary Shares or B Ordinary Shares purchased pursuant to the Dematic CP Notice shall be the same price as would be payable for the relevant Ordinary Shares or B Ordinary Shares purchased pursuant to the Offers;
- (iii) the completion date for the acquisition of Ordinary Shares and B Ordinary Shares pursuant to Dematic CP Notice shall be five business days after the Closing Date;
- (iv) settlement of the consideration to which any Ordinary Shareholder or B Ordinary Shareholder is entitled in respect of the purchase of their Ordinary Shares or B Ordinary Shares pursuant to the Dematic CP Notice shall be made by cheque within three business days of the date on which SDI receives the relevant Shareholder’s share certificates or indemnity in respect of any lost share certificates.

Notwithstanding the above, Dematic reserves the right to exercise its entitlement pursuant to the provisions of sections 979 to 991 (inclusive) of the Companies Act to acquire compulsorily all Relevant Ordinary Shares or B Ordinary Shares (as the case may be) in respect of which acceptances are not received pursuant to the Offers on the same terms as the relevant Offer.

13. Action to be taken – how to accept the Offers

APPENDIX I

PART A

Further terms of the Offers

The following further terms apply, unless the contrary is expressed or the context requires otherwise, to each of the Offers:

- i. unless the context requires otherwise, any reference in this document and in the Forms of Acceptance to “**acceptances of the Offers**” includes deemed acceptances of the Offers;
- ii. as Dematic, following its acquisition of FSU Investments, is interested in Ordinary Shares carrying 75.6 per cent. of the voting rights in SDI, the Offers are not subject to any minimum acceptance condition or any other condition and are therefore unconditional in all respects; and
- iii. in accordance with the provisions of the Takeover Code, the Offers will lapse if there is a Phase 2 Competition and Markets Authority reference in respect of the Offer before 1.00 pm on the Closing Date. If the Offers so lapse, they will cease to be capable of further acceptances and persons accepting the Offers and Dematic will cease to be bound by Forms of Acceptance submitted at or before the time when the Offers lapse.

1. Acceptance Period

- 1.1 The Offers are open for acceptance until 1.00 pm on the Closing Date and they will not be extended beyond that time.

2. Announcements

- 2.1 By 8.00 am on the next business day (the “**relevant day**”) following the day on which the Offers are due to expire (or such later time(s) or date(s) as the Panel may agree), Dematic will make an appropriate announcement through its website at www.dematic.com/announcements/sdi/201501. The announcement will state (unless otherwise permitted by the Panel):
 - (A) the total number of Ordinary Shares (i) for which acceptances of the Ordinary Share Offer have been received (showing the extent, if any, to which such acceptances have been received from any person(s) acting or deemed to be acting in concert with Dematic for the purposes of the Ordinary Share Offer) and (ii) which were the subject of an irrevocable commitment or letter of intent procured by Dematic or its associates (as defined in the Code);

 - (C) details of any SDI relevant securities in which Dematic or any person acting in concert with it has an interest or in respect of which he has a right to subscribe, in each case specifying the nature of the interests or rights concerned and details of any short positions over SDI relevant securities held by Dematic or any person acting in concert with it (whether conditional or absolute and whether in the money or otherwise);

- 2.2 In computing the number of Ordinary Shares or B Ordinary Shares represented by acceptances and/or purchases for the announcement, an acceptance or purchase will only be counted if the requirements of Notes 4, 5 and 8 (as applicable) of Rule 10 of the Code are satisfied (unless the Panel agrees otherwise). Subject to this, Dematic may include or exclude, for announcement purposes, acceptances and purchases not in all respects in order or not accompanied by the relevant share certificate(s) and/or other document(s) of title.
- 2.3 In this Appendix, references to the making of an announcement or the giving of notice by or on behalf of Dematic includes the release of an announcement on behalf of Dematic to the press and the delivery by hand or telephone, telex or facsimile or other electronic transmission of an announcement through Dematic's website at www.dematic.com/announcements/sdi/201501. 3. Rights of withdrawal

Save as set out in this document, all acceptances are irrevocable and may not be withdrawn.

4. Revisions to the Offers

- 4.1 Although no revision is envisaged, if either Offer is revised (either in its terms and conditions or in the value or nature of the consideration offered or otherwise), the benefit of the revised offer will, subject to the provisions of this paragraph 4 and paragraph 6 of this Part A of this Appendix I, be made available to a Ordinary Shareholder who has accepted the Ordinary Share Offer or a B Ordinary Shareholder who has accepted the B Ordinary Share Offer (in each case in its original or any revised form(s)) and who has not validly withdrawn such acceptance (a "**previous acceptor**") if any such revised offer(s) represents, on the date on which it is announced (on such basis as Dematic may consider appropriate), an improvement (or no diminution) in the value of the consideration offered compared with the consideration or terms previously offered or in the overall value received and/or retained by an Ordinary Shareholder and/or B Ordinary Shareholder, as the case may be. The acceptance by or on behalf of a previous acceptor will, subject as provided in this paragraph 4 and paragraph 6 of this Part A of this Appendix I be deemed an acceptance of the revised offer and will constitute the separate appointment of each of Dematic and any director of Dematic as his attorney and/or agent with authority:
- (A) to accept the revised offer on behalf of such previous acceptor; and
 - (B) to execute on his behalf in his name all further documents (if any) and to do all things (if any) as may be required to give effect to such acceptances and/or elections.

In making any election and/or acceptance, the attorney and/or agent will take into previous acceptor and other facts or matters he may reasonably consider relevant.

- 4.2 The deemed acceptance and/or election referred to in paragraph 4.1 of this Part A of this Appendix I shall not apply, and the power of attorney and authorities conferred by that paragraph shall not be exercised if, as a result, the previous acceptor would (on such basis as Dematic may reasonably consider appropriate) receive and/or retain (as appropriate) less in aggregate in consideration under the revised offer or otherwise than he would have received and/or retained (as appropriate) in aggregate in consideration as a result of his acceptance of the Offers in the form originally accepted by such previous acceptor or on his behalf.
- 4.3 The deemed acceptance and/or election referred to in paragraph 4.1 of this Part A of this Appendix I shall not apply, and the power of attorney and the authorities conferred by that paragraph shall not be exercised in the case of a previous acceptor who lodges with Neville Registrars within 14 calendar days of the posting of the document containing the revised offer to Shareholders, a Form of Acceptance in which he validly elects to receive consideration under the revised offer in some other manner.

- 4.4 The authorities conferred by this paragraph 4 and any acceptance of a revised offer and/or any election in relation to it shall be irrevocable.
- 4.5 Subject to the other provisions of this paragraph 4, Dematic reserves the right to treat an executed Form of Acceptance (in its original or any previously revised form(s)) which is received (or dated) after the announcement or issue of any revised offer as a valid acceptance of the revised offer. That acceptance will constitute an authority in the terms of paragraph 4.1 of this Part A of this Appendix, *mutatis mutandis*, on behalf of the relevant Ordinary Shareholder and/or SDI Optionholder, as the case may be.

5. General

- 5.1 If either Offer is withdrawn for any reason:

 - (B) accepting Ordinary Shareholders and accepting B Ordinary Shareholders and Dematic will cease to be bound by Forms of Acceptance submitted before the time the relevant Offer is withdrawn;
 - (C) neither Dematic nor any person acting, or deemed to be acting, in concert with Dematic for the purposes of the Offer may, pursuant to the Code, make an offer (whether inside or outside the United Kingdom) for Ordinary Shares for a period of one year following the date of such withdrawal, except with the permission of the Panel; and
 - (D) Forms of Acceptance, share certificates and other documents of title and, if applicable, option certificates will be returned by post within 14 calendar days of the Offers being withdrawn, at the risk of the Ordinary Shareholder, SDI Optionholder or B Ordinary Shareholder in question, to the person or agent whose name and address is set out in the relevant box on the relevant Form of Acceptance or, if none is set out, to the first-named holder at his registered address. No such documents will be sent to an address in any Restricted Jurisdiction.
- 5.2 Except with the consent of the Panel:
- (A) settlement of the consideration to which any Ordinary Shareholder or B Ordinary Shareholder is entitled under the relevant Offer will be implemented in full in accordance with the terms of the relevant Offer without regard to any lien, right of set-off, counterclaim or other analogous right to which Dematic may otherwise be, or claim to be, entitled against that Ordinary Shareholder or B Ordinary Shareholder; and
 - (B) settlement of the consideration will be effected in the manner prescribed in but subject to the exceptions referred in paragraph 14 of the letter from Dematic contained in Part 2 of this document not later than 3 business days after the Closing Date.

Subject to paragraph 6 of this Part A of this Appendix I, no consideration will be sent to an address in any Restricted Jurisdiction.

- 5.3 The Ordinary Share Offer is made on 5 February 2015 to all Relevant Ordinary Shareholders including those to whom this document may not be dispatched and is capable of acceptance from and after that time; this document and the Share Offer Form of Acceptance are available from Neville Registrars at Neville House, 18 Laurel Lane, Halesowen, West Midlands B63 3DA. The Ordinary Share Offer is being made by means of this document to all Relevant Ordinary Shareholders and will be announced on SDI's website at www.sdigroup.com/announcements. The Closing Date is 1.00 pm on 9 March 2015. The Ordinary Share Offer will not be extended beyond this time.
- 5.4 The B Ordinary Share Offer is made on 5 February 2015 to all B Ordinary Shareholders including those to whom this document may not be dispatched and is capable of acceptance from and after that time; this document, the Form of Option Exercise and Acceptance and the B Ordinary Share Offer Form of Acceptance are available from Neville Registrars at Neville House, 18 Laurel Lane, Halesowen, West Midlands B63 3DA. - 5.5 The terms, provisions, instructions and authorities contained in or deemed to be incorporated in the Forms of Acceptance constitute part of the terms of the relevant Offer. Words and expressions defined in this document have the same meaning when used in the Forms of Acceptance unless the context requires otherwise. The provisions of this Appendix I shall be deemed to be incorporated and form part of the Forms of Acceptance.
- 5.6 Any omission or failure to dispatch this document, the Forms of Acceptance or any other document relating to either Offer and/or notice required to be dispatched under the terms of either Offer to, or any failure to receive the same by any person to whom such Offer is, or should be made, shall not invalidate that Offer in any way or create any implication that such Offer has not been made to any such person. Subject to the provisions of paragraph 7 of this Part A of this Appendix I, the Ordinary Share Offer is made to any Relevant Ordinary Shareholder and the B Ordinary Share Offer is made to any SDI Optionholder to whom this document and the relevant Form of Acceptance or any related document may not be dispatched or by whom such documents may not be received, and these persons may collect these documents from Neville Registrars at Neville House, 18 Laurel Lane, Halesowen, West Midlands B63 3DA.
- 5.7 Subject to the Code, and notwithstanding any other provision of this Part A of this Appendix I, Dematic reserves the right to treat as valid in whole or in part any acceptance of either Offer if received by 1.00 pm on the Closing Date which is not entirely in order or in correct form or which is not accompanied by (as applicable) the relevant share certificate(s) and/or other relevant document(s) or is not received by it at the place(s) specified in this document or in the relevant Form of Acceptance. In that event, no payment of cash will be made until after the acceptance is entirely in order or the relevant share certificate(s) and/or other document(s) of title or indemnities satisfactory to Dematic have been received.
- 5.8 Dematic intends to use the drag-along provisions set out in SDI's articles of association to acquire compulsorily any Relevant Ordinary Shares and B Ordinary Shares not acquired or agreed to be acquired pursuant to the Offers or otherwise.
- 5.9 All powers of attorney, appointments of agents and authorities on the terms conferred by or referred to in this Appendix I or in the Forms of Acceptance are given by way of security for the performance of the obligations of the relevant Ordinary Shareholder and/or SDI Optionholder and are irrevocable (in respect of powers of attorney in accordance with section 4 of the Powers of Attorney Act 1971).
- 5.10 No acknowledgement of receipt of any Form of Acceptance, communication, notice, share certificate(s), option certificate(s) or document(s) of title will be given by or on behalf of Dematic. All communications, notices, certificates, documents of title and remittances to be delivered by or sent to or from Ordinary Shareholders, B Ordinary Shareholders or SDI Optionholders (or their designated agents) will be delivered by or sent to or from them (or their designated agent(s)) at their own risk.
- 5.11 The Offers, all acceptances of the Offers and all elections in respect of them are governed by and will be construed in accordance with English law. The Courts of England have exclusive jurisdiction to settle any dispute arising from or connected with the Offers, all acceptances of the Offers and all elections in respect of them.
- 5.12 Ordinary Shares and B Ordinary Shares are to be acquired by Dematic under the Offers fully paid and free from all liens, charges, equities, encumbrances, rights of pre-emption and other interests of any nature whatsoever and together with all rights attaching to them on or after the date of this document, including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid on or after that date.

- 5.13 All references in this Appendix I to any statute or statutory provision shall include a statute or statutory provision which amends, consolidates or replaces the same (whether before or after the date hereof).
- 5.14 Any references in this Appendix I to the return or dispatch of documents by post shall extend to the return or dispatch by such other method as the Panel may approve.

6. Overseas Shareholders

- 6.1 The making of the Offers to Overseas Shareholders or to persons who are custodians, nominees of or trustees for such persons may be prohibited or affected by the laws of the relevant jurisdiction. Such Overseas Shareholders should inform themselves about and observe any applicable legal requirements of such jurisdictions. It is the responsibility of any Overseas Shareholder wishing to accept either Offer to satisfy himself as to the full observance of the laws and regulatory requirements of the relevant jurisdiction in connection with such Offer, including obtaining any governmental, exchange control or other consents which may be required or the compliance with other necessary formalities needing to be observed and the payment of any issue, transfer or other taxes or duties or other requisite payments due in that jurisdiction. Any such Overseas Shareholder shall be responsible for any such issue, transfer or other taxes or duties or other payments by whomsoever payable and Dematic (and any person acting on behalf of Dematic) shall be fully indemnified and held harmless by such Overseas Shareholders for any such issue, transfer or other taxes or duties or other payments which Dematic (and any person acting on behalf of Dematic) may be required to pay.
- 6.2 The Offers are not being made, directly or indirectly, in or into or by use of the mails of, or by any means or instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of any Restricted Jurisdiction and the Offers cannot be accepted by any such use, means or instrumentality or otherwise from within any Restricted Jurisdiction.
- 6.3 Copies of this document, the Forms of Acceptance and any related documents are not being (unless determined otherwise by Dematic in its sole discretion), and must not be, mailed or otherwise distributed or sent in, into or from any Restricted Jurisdiction including to Ordinary Shareholders, SDI Optionholders or B Ordinary Shareholders with registered addresses in any Restricted Jurisdiction or to persons whom Dematic knows to be custodians, trustees or nominees holding Ordinary Shares for persons with registered addresses in any Restricted Jurisdiction. Persons receiving those documents (including, without limitation, custodians, nominees and trustees) should not distribute, mail or send them in, into or from any Restricted Jurisdiction or use such mails or any such means, instrumentality or facility for any purpose directly or indirectly in connection with the Offers, and so doing may render any purported acceptance of the Offers invalid.
- 6.4 Persons wishing to accept either Offer must not use the mails of any Restricted Jurisdiction or any such means, instrumentality or facility for any purpose directly or indirectly relating to acceptance of such Offer. All Shareholders (including nominees, trustees of custodians) who may have a contractual or legal obligation, or may otherwise intend, to forward this document and/or Form of Acceptance and/or any associated document, should read the further details in this regard which are contained in this paragraph 6 of this Part A and in Part B of this Appendix I before taking any action. Envelopes containing Forms of Acceptance, evidence of title or other documents relating to the Offers should not be postmarked in any Restricted Jurisdiction or otherwise dispatched from such jurisdictions and all acceptors must provide addresses outside a Restricted Jurisdiction for the receipt of the consideration to which they are entitled under the Offers or for the return of their Form of Acceptance or documents of title.
- 6.5 Subject to the provisions of this paragraph 6 and applicable laws, an Ordinary Shareholder or B Ordinary Shareholder, as the case may be, shall be deemed NOT to have accepted the relevant Offer if:
- (A) he puts “No” in Box 5 of the relevant Form of Acceptance and thereby does not make the representations and warranties set out in paragraph (b) of Part B of this Appendix I;

- (B) he completes Box 6 of the relevant Form of Acceptance with an address in a Restricted Jurisdiction or has a registered address in a Restricted Jurisdiction and in any such case does not insert in Box 6 of the relevant Form of Acceptance the name and address of a person or agent outside a Restricted Jurisdiction to whom he wishes the consideration to which he is entitled under the relevant Offer to be sent;
- (C) he inserts in Box 6 of the relevant Form of Acceptance the name and address of a person or agent in a Restricted Jurisdiction to whom he wishes the consideration to which he is entitled under the Offer to be sent; or
- (D) in any case, the relevant Form of Acceptance received from him is in an envelope postmarked in, or which otherwise appears to Dematic or its agents to have been sent from a Restricted Jurisdiction.

Dematic reserves the right, in its sole discretion, to investigate, in relation to any acceptance, whether the representations and warranties set out in paragraph (b) of Part B or (as the case may be) Part C of this Appendix I could have been truthfully given by the relevant Ordinary Shareholder or B Ordinary Shareholder and, if such investigation is made and as a result Dematic determines (for any reason) that such representations and warranties could not have been so given, such acceptance may be rejected as invalid.

6.6 If any person, despite the restrictions described above and whether pursuant to a contractual or legal obligation or otherwise, forwards this document, any Form of Acceptance or any related document in, into or from any Restricted Jurisdiction or uses the mails or any means or instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of any Restricted Jurisdiction in connection with that forwarding, that person should:

- (A) inform the recipient of such fact;
- (B) explain to the recipient that such action may invalidate any purported acceptance by the recipient; and
- (C) draw the attention of the recipient to this paragraph 6.

6.7 The provisions of this paragraph 6 and/or any other terms of the Offers relating to Overseas Shareholders may be waived, varied or modified as regards specific Ordinary Shareholders or B Ordinary Shareholders or on a general basis by Dematic in its sole discretion. Subject to this discretion, the provisions of this paragraph 6 supersede any terms of the Offers inconsistent with them. References in this paragraph 6 to an Ordinary Shareholder or a B Ordinary Shareholder shall include the person or persons executing a Form of Acceptance and, in the event of more than one person executing the Form of Acceptance, the provisions of this paragraph apply to them jointly and severally.

6.8 The Ordinary Share Offer falls within the scope of the US Securities and Exchange Act of 1934, as amended (the “**Securities Act**”), to the extent that it affects US resident Ordinary Shareholders. Accordingly, the Ordinary Share Offer is being made into the US in compliance with Regulation 14E which was promulgated by the Securities and Exchange Commission under Section 14e of the Securities Act.

Overseas Shareholders should inform themselves about and observe any applicable legal or regulatory requirements. If you are in any doubt about your position, you should consult your appropriate adviser in the relevant jurisdiction.

PART C

SDI OPTION PROPOSAL

PART C1

SDI hereby gives notice to SDI Optionholders that they are able to exercise their SDI Options under the SDI Option Scheme.

Under the SDI Option Proposal, SDI Optionholders can decide to exercise their SDI Options, in whole or in part, and to accept the B Ordinary Share Offer in respect of all the B Ordinary Shares acquired as a result of the exercise of their SDI Options.

If SDI Optionholders decide to exercise their SDI Options and to accept the B Ordinary Share Offer, they will be entitled to receive:

for each B Ordinary Share

19.65 pence in cash

Under the SDI Option Proposal SDI Optionholders will, following the Closing Date, receive the sale proceeds of their B Ordinary Shares under the B Ordinary Share Offer less a deduction in satisfaction of any SDI Option Tax Liability and the aggregate option exercise price payable on exercise of their SDI Option(s). SDI Optionholders will (if they are paid in £sterling) receive these proceeds through their employing company's payroll. If SDI Optionholders are no longer on the payroll, payment will be made to them by cheque. If any SDI Optionholders on the payroll are paid other than in £sterling, payment will be made to them by cheque or through their employing company's payroll, at Dematic's discretion.

If SDI Optionholders wish to accept the SDI Option Proposal, they need to complete and return the Form of Option Exercise and Acceptance in relation to their outstanding SDI Options so as to be received (together with their original option certificates) by Neville Registrars at Neville House, 18 Laurel Lane, Halesowen, West Midlands B63 3DA as soon as possible and in any event by 1.00 pm on 9 March 2015.

The action that each SDI Optionholder should take is for him or her alone to decide. Neither Dematic nor SDI (nor any of their respective officers or employees) can give any advice as to the action SDI Optionholders should take. However, before SDI Optionholders make a decision, they should read carefully this document and the Form of Option Exercise and Acceptance.

SDI Optionholders are reminded that if they take no action their outstanding SDI Options will lapse and cease to have any value following the Closing Date.

There is set out in Part C2 below a brief summary of the UK taxation consequences of the acquisition by SDI Optionholders of B Ordinary Shares the subject of outstanding SDI Options and acceptance by them of the B Ordinary Share Offer in respect of those B Ordinary Shares.

There is set out in Part C3 below details of the procedure for acceptance of the SDI Option Proposal.

If SDI Optionholders are in any doubt as to their personal tax position, they should consult an appropriate professional adviser without delay. In particular, SDI Optionholders who are resident outside the UK are urged to consult with an independent professional adviser regarding their individual personal tax position.

PART C2

This Part C2 is intended to provide SDI Optionholders who are (and, at all material times, have been) resident for tax purposes in the UK with a brief summary of the taxation consequences of taking any of the courses of action described at Part C1. Further tax guidance on the effects of accepting the B Ordinary Share Offer is set out at paragraph 10 of Part 2 of this document.

This summary is intended to assist SDI Optionholders in their choice. **If SDI Optionholders are in any doubt as to their tax position, or if they are subject to taxation in any jurisdiction other than the United Kingdom, they should consult an appropriate professional adviser without delay.**

1 Exercising SDI Options

- 1.1 If SDI Optionholders exercise their SDI Options, they will be liable to income tax and employees' national insurance contributions ("NICs") and under the terms of the SDI Options, will be liable to meet the cost of employers' NICs. These amounts of income tax and NICs will be calculated by reference to the difference between the market value of the B Ordinary Shares that they acquire on exercise (which is likely to be 19.65 pence per B Ordinary Share) and the aggregate option exercise price. Such SDI Optionholders will be eligible for income tax relief in respect of the cost of employer's NICs borne by them.
- 1.2 These income tax and NIC liabilities will, after adjustment for income tax relief in respect of the cost of employer's NICs, be deducted from the cash proceeds of the B Ordinary Share Offer and accounted to HM Revenue & Customs via payroll (PAYE). SDI intends, or intends to procure that the applicable employer company, operates payroll and calculates the deductions from the cash proceeds of the B Ordinary Share Offer on the basis that the market value for the B Ordinary Shares at the relevant time is 19.65 pence per B Ordinary Share.
- 1.3 SDI Optionholders will have to account for any additional income tax liability if the income tax deducted via payroll is insufficient to meet, in full, their liability to income tax. Alternatively, if too much income tax has been deducted, they will be entitled to request an income tax repayment under the self-assessment rules (see paragraph 3.1 below).

2 Acceptance of the B Ordinary Share Offer in respect of B Ordinary Shares acquired following exercise of SDI Options

- 2.1 The acceptance of the B Ordinary Share Offer in respect of B Ordinary Shares will constitute a disposal of those B Ordinary Shares for capital gains tax purposes, and, depending on the individual circumstances of SDI Optionholders, may give rise to a capital gains tax liability.
- 2.2 For SDI Optionholders who exercise their SDI Options such that income tax and NIC liabilities arise (see paragraph 1.1 above), the base cost of the B Ordinary Shares that they acquire will (in effect) be the market value of the B Ordinary Shares at the time of exercise. It is therefore likely that SDI Optionholders will not make a capital gain (or any gain will be small) when they dispose of the B Ordinary Shares because the disposal proceeds will be equal to (or exceed by a small amount only) their base cost.

3 Self-Assessment

- 3.1 Under the self-assessment rules, taxpayers are required to provide HM Revenue & Customs with all information needed to calculate their total taxable income (from all sources) and any chargeable gains. The tax calculation may then be carried out either by the taxpayer or HM Revenue & Customs.
- 3.2 Notification of taxable income and chargeable capital gains for the tax year 2014-15 must be made to HM Revenue & Customs by 31 October 2015 if SDI Optionholders wish HM Revenue & Customs to calculate their tax liability, or by 31 January 2016 if they wish to calculate it themselves.

For capital gains tax purposes, if the total capital gains made by SDI Optionholders for the tax year are less than the annual exemption (£11,000 for the tax year 2014-15) and the total proceeds they receive from selling assets in the year is less than four times the annual exemption (£44,000 for the tax year 2014-15), then they are not required to complete the "Capital Gains Tax Pages" of their self-assessment return.

PART C3

For the purposes of this Part C3 of this Appendix I and the Form of Option Exercise and Acceptance, the phrase “**B Ordinary Shares comprised in the acceptance**” shall mean the total number of B Ordinary Shares acquired upon the exercise of any SDI Option in full or the number of B Ordinary Shares inserted in Box 3 of the Form of Option Exercise and Acceptance if lower.

Without prejudice to the terms of the Form of Option Exercise and Acceptance and the provisions of Part C3 of this Appendix I, each B Ordinary Shareholder by whom, or on whose behalf, a Form of Option Exercise and Acceptance is executed and lodged with SDI, irrevocably undertakes, represents, warrants and agrees to and with Dematic (so as to bind him, his personal or legal representatives, heirs, successors and assigns):

- (a) that the execution of a Form of Option Exercise and Acceptance shall constitute:
 - (i) an acceptance of the B Ordinary Share Option Offer in respect of the B Ordinary Shares comprised in the acceptance; and
 - (ii) an undertaking to execute any further documents, take any further action and give any further assurances which may be required to enable Dematic to obtain the full benefit of this Part C3 of this Appendix I and/or to perfect any of the authorities expressed to be given hereunder and otherwise in connection with his acceptance of the B Ordinary Share Offer;

in each case, on and subject to the terms and conditions set out or referred to in this document and that each such acceptance shall be irrevocable provided that if the acceptance is otherwise completed incorrectly, but the Form of Option Exercise and Acceptance is signed, it shall be deemed to be an acceptance of the B Ordinary Share Offer in respect of all B Ordinary Shares comprised in the acceptance; and

- (b) that, unless “No” is inserted in Box 4 of the Form of Option Exercise and Acceptance such B Ordinary Shareholder:
 - (i) has not received or sent copies or originals of this document, the Form of Option Exercise and Acceptance or any related documents in, into or from any Restricted Jurisdiction;

7.1 *Equality of FSU Acquisition and Offer consideration*

The table below demonstrates the basis on which the consideration payable pursuant to the Offers and in connection with the FSU Acquisition has been apportioned. The Offers value each Relevant Ordinary Share and each B Ordinary Share on the same basis as is attributed to each Ordinary Share, net of costs, held by FSU for the purposes of the FSU Acquisition, save that, under the terms of the FSU Acquisition, the FSU Shareholders (who have given certain warranties and a tax covenant in favour of Dematic) have agreed that approximately £1.8 million of the consideration due to them for their FSU Shares shall also be conditional upon the attainment of certain future financial performance targets by FSU Investments and its subsidiary undertakings. In addition, £1.0 million of the consideration payable in connection with the FSU Acquisition is the subject of retention arrangements which do not apply in respect of the price payable pursuant to the Offers.

	<i>Total No.</i>	<i>Held by FSU No.</i>	<i>Held by others No.</i>
